

Our Halal Policy

We strive to produce only Halal Products and use only Halal Raw Materials which have been certified by JAKIM and/or relevant overseas recognized Islamic authorities by JAKIM.

We place a high priority on product quality and food safety to ensure we supply our customers with Halal, safe products at reasonable prices, in compliance to Syariah principles, statutory, regulatory and mutually agreed customers' requirement.

We are committed to continually improve our competencies to ensure the effectiveness of JAKIM Halal Management System.

We recognized the importance to communicate our halal & food safety policies across all levels of internal and external stakeholders.

CORPORATE VISION

To be Asia preferred choice of food ingredients.

MISSION STATEMENT

To maximize customer's product potential through taste innovation.
